

20 July 2018

Dear Members

Central Coast Council are presenting a motion to the Mayor and Councillors proposing to close all town centre management offices on the Central Coast.

Central Coast Council still propose to collect the levies from the commercial property owners and create a team within Council to look after each town centre.

The Greater Toukley Vision is your Town Centre management and was created on advisement from Wyong Shire Council 20 years ago. In that time, The Greater Toukley Vision Inc has been compliant to all Council rules and regulations including taking over community events and the Toukley Sunday Markets, when requested.

The Greater Toukley Vision's roll in the area includes:

- ❖ Nine (9) local business owners on the board, meetings held monthly.
- ❖ Maintain the Greater Toukley web site and Facebook pages sharing business promotions daily.
- ❖ All local businesses are listed on the web site in categories for easy access on visitation to the site.
- ❖ Town maintenance including cleaning, amenities maintenance and graffiti removal from the Toukley Bridge through to Norah Head by our maintenance team.
- ❖ Manage the weekly Toukley Sunday Markets with all proceeds going to our local community through the Central Coast Council grant's system.
- ❖ Event management of popular local events including Australia Day Eve, Whale Dreamers Festival, Splash N Dash (Lakes Festival), Food and Fun plus Lighting of the Christmas Tree.
- ❖ Provide CCTV coverage of local common areas for the safety of the community.
- ❖ Regular promotions for the benefit of local business with Greater Toukley Dollars.

This is just a fraction of what we do for our town.

We welcome your thoughts and feedback on the proposed changes to The Greater Toukley Vision Inc. via email to manager@greatertoukley.org.au or our Facebook page.

Please have your say on this important issue.

The board of directors look forward to hearing from you.

Janet Holmesby
Manager
